

Announcement

Revised Annual Qualification Application & Instructions are now available for Supports Coordination Organizations

ODP Communication Number: Announcement 107-10

Audience: Supports Coordination Organizations (SCOs)

Purpose: This announcement is to inform SCOs that the application and accompanying instructions for the SCO Annual Qualification process have been revised and that these new documents are available on the SCO Information Center.

At the time of their last annual qualification, each SCO was notified of the due date for its next qualification application. SCOs are advised to review this information carefully and to follow the revised instructions when completing and submitting the new application form and the required supplemental documents.

The revised application and instructions can be downloaded from the SCO Information Center at <http://scoic.odpconsulting.net>. Please use the following path to locate the documents: [SCO Provider Qualification](#) (which is located under the ODP Business Practice Information section of the homepage) → then select SCO Qualification Process. You will be asked to provide a login and password. The revised SCO Annual Qualification Documents are contained under item 2.

Please direct any questions about the SCO Annual Qualification Application process to ra-scqualifications@state.pa.us, or to the appropriate ODP Regional Office.

Thank you for your cooperation.
