

Informational Memo

Agency with Choice Financial Management Service Provider Listing for Fiscal Year 2010-2011

ODP Communication Number: Memo 099-10 **Reissue**

Audience: All Interested Parties

Purpose: To provide a list of current Agency with Choice Financial Management Service (AWC FMS) Providers supporting waiver participants and surrogates who have chosen to self-direct some or all of their Participant Directed Services (PDS) using the AWC FMS option. The AWC FMS Providers included are located throughout the Commonwealth and identified to provide services by Administrative Entity (AE). Currently this information is not available in the Services and Supports Directory.

ODP validated that each AE secured a qualified AWC FMS Provider to provide AWC FMS administrative services to waiver participants and surrogates who elect to use the AWC FMS option. In addition the same qualified AWC FMS providers have a signed "Provider Agreement" with ODP. Since the service of the AWC FMS provider is an administrative service, the choice of AWC FMS providers is not required or available. Therefore, the identified AWC FMS provider for each AE is the AWC FMS provider who will serve waiver participants interested in self directing PDS using the AWC FMS option.

These locally based AWC FMS providers are not to be confused with the statewide contracted Vendor Fiscal/Employer Agent Financial Management Service Organization (VF/EA FMS) *Acumen Fiscal Agent, LLC* which provides financial management services to waiver participants who elect to use the VF/EA FMS model.

For more information regarding the two Financial Management Service models (AWC and VF/EA), please visit the ODP Consulting Website and view the [Participant-Directed Services](#) link on the left sidebar of the homepage.

Informational Memo 099-10 containing the AWC providers for FY 2010-2011 replaces the previously distributed Informational Memo 014-09 which contained the AWC providers for FY 2009-2010.

** C/M/P (in the Northeast) had 2 AWC providers prior to July 1, 2008 and was therefore permitted to maintain this arrangement. All other AE's have one AWC provider available to serve waiver participants registered with that AE who express an interest in the AWC option to self-direct their services.
