

Announcement

Regional ISP Review Mailboxes have been Created

ODP Communication Number: Announcement 096-10

Audience: Administrative Entities (AE)

Purpose: To communicate a change to the process surrounding the submission of the Regional ISP Review Form.

On June 1, 2010, ODP issued **Informational Packet 074-10** regarding the Regional ISP Review Process and Form. As part of this process it was communicated that the AEs are to submit the completed Regional ISP Review Form (via email) to the appropriate ODP Regional Program Manager (RPM). In an effort to expedite this process, ODP has created specific email boxes for the AEs to use when submitting the Regional ISP Review Form.

Please use the email address below to submit the completed Regional ISP Review Form to the appropriate ODP RPM in lieu of sending the information directly to the RPM's e-mail address. Please note that there is an underscore as part of the email address.

Region	Email Address	Email Address Link
Central	ra-C.ISP_Review@state.pa.us	ra-C.ISP_Review@state.pa.us
Northeast	ra-NE.ISP_Review@state.pa.us	ra-NE.ISP_Review@state.pa.us
Southeast	ra-SE.ISP_Review@state.pa.us	ra-SE.ISP_Review@state.pa.us
Western	ra-W.ISP_Review@state.pa.us	ra-W.ISP_Review@state.pa.us

This is the only change to the Regional ISP Review Process. The information and process communicated in Informational Packet 074-10 is still current.

As a reminder, a copy of the Regional ISP Review Form can be found at www.odpconsulting.net under the Informational Packet link.
