

Announcement

OMAP Website Deactivated March 31, 2010

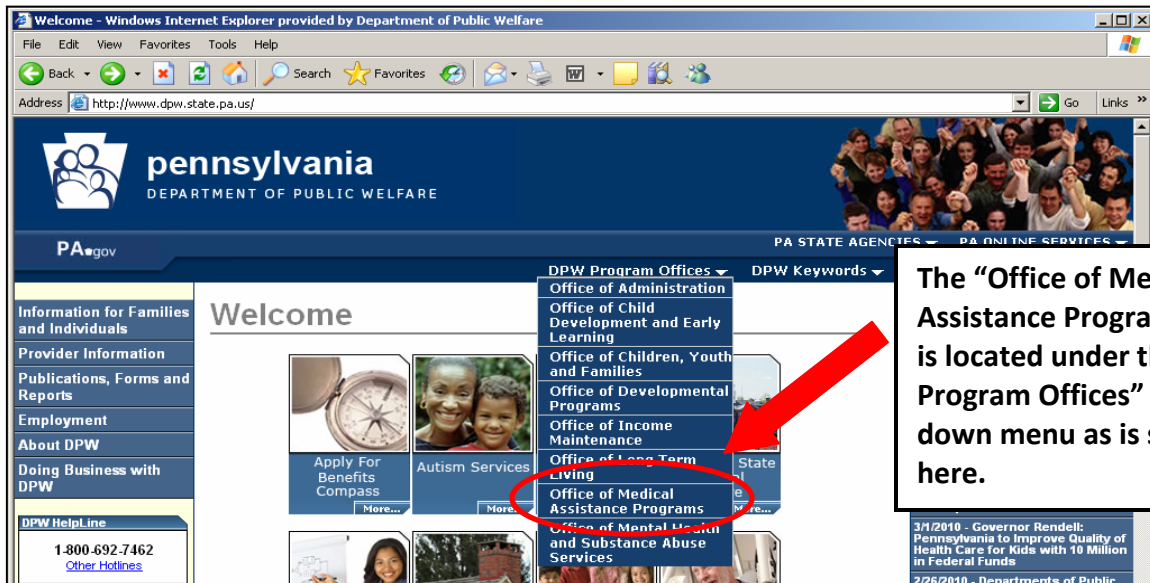

ODP Communication Number: Announcement 047-10

Audience: All Interested Parties.

Purpose: As part of the Department of Public Welfare's (DPW) continuing efforts to improve its web site by making it easier to navigate, DPW will deactivate all Office of Medical Assistance Program (OMAP) links that begin with "http://www.dpw.state.pa.us/omap" effective March 31, 2010.

All OMAP information that was previously stored in the dedicated website above has been moved to a new location under the DPW homepage at <http://www.dpw.state.pa.us/>. Once the user reaches the DPW homepage, there is a drop down menu located under "DPW Program Offices" which is circled below.

If you have shortcuts or “Favorites” currently set up on your desktop referencing OMAP links, you may want to update them to reflect their new location under the DPW Homepage.

The Office of Developmental Programs (ODP) has issued past communications and documents that reference the OMAP website. As a result, some of the web links contained in these communications will require updating. ODP is in the process of identifying and replacing OMAP web links in existing communications and documents. As OMAP links are identified in existing communications and documents, they will be updated and replaced in the location they are currently stored.

Thank you for your patience.
